

**ANDREW FLECK CHILDREN'S SERVICES  
JOB DESCRIPTION**

**JOB CLASS:** ECE Assistant

**JOB TITLE:** ECE Assistant

**LOCATION:** LICENSED GROUP CHILD CARE PROGRAMS

**REPORTS TO:** PROGRAM COORDINATOR

---

**SUMMARY:**

Assists the Early Childhood Educators (RECEs) in providing a nurturing, developmentally appropriate, healthy, and safe environment to meet the needs of children in the group setting. Follows requirements of all municipal, provincial and federal regulations; follows policies and procedures identified in the Child Care and Early Years Act (CCEYA); and follows the policies and procedures of Andrew Fleck Children's Services.

**KEY OBJECTIVES:**

- To perform duties in accordance with the mission statement and core values of AFCS and the mandate of Group Child Care Program.
- To support and assist the ECEs in providing a high quality, inclusive, child care program in a group setting that meets diverse needs and promotes optimum physical, social, cognitive and intellectual development of the children in care.

**DUTIES WILL INCLUDE BUT NOT BE LIMITED TO:**

1. Assists RECEs with the development of a stimulating and developmentally appropriate program for the children that is responsive to cultural diversity and reflects children's interests. Participates and supports the development of program plans and activities, environment set- up, and individual development plans to meet the special needs of children. Discusses and reviews progress and opportunities for children with RECE.
2. Participates, with team, in short and long- term planning and evaluation activities.
3. Applies knowledge and implementation of current pedagogy (e.g. How Does Learning Happen and 4 foundations). Demonstrates creativity and innovation in the time spent with the children; is self motivated and enthusiastic in carrying out the duties
4. Leads children in activities to stimulate and develop their intellectual, physical and emotional growth and ensure their security and well-being. Prepares appropriate materials and equipment for program room using judgement based on developmental plans of each child.

5. May supervise a group of children alone for a period each day or supervise a supply educator in a program. Provides a welcoming and nurturing environment by displaying affection, acceptance and support of each child.
6. Responsible for the care and support of children with Anaphylactic Plans or other medical plans and the administration of medication. Works with RECEs in the development of ISPs for children they work with.
7. Plans and maintains an environment that protects the health, security and well-being of children. Participates in regular yard checks, fire safety checks including headcounts and document gathering for evacuations. Follows procedures for a serious occurrence. Updates and maintains records (e.g. daily communication log book).
8. Ensures positive communication with parents. Establishes and maintains collaborative relationships with co-workers and community service providers working with children
9. Participates in written observations of children and shares information with RECEs for program planning.
10. Assists the RECE in directing and assessing the positive emotional, physical, social and cognitive development of children by implementing appropriate activities and programs according to each child's individual developmental abilities, interests and needs.
11. Implements Behavior Strategies identified through CISS Module Training. Models and teaches appropriate behaviours with children.
12. Attends to physical needs of children; instructs and assists in developing self-help skills such as washing, dressing, toileting, and eating, as necessary; attends to diapering needs; feeds children and ensures special dietary requirements are met; ensures children are clean, dry and dressed appropriately
13. Maintains a healthy and safe environment; administers and maintains records of medication and first aid; records and reports accidents and serious occurrences; operates and ensures safety of all equipment including special needs equipment as required; cleans and disinfects toys and activity areas and carries out other program related housekeeping duties; monitors location for health and safety hazards;
14. Other related duties as may be assigned by RECE.
15. Works in accordance with Ontario Occupational Health and Safety Standards
